Hi Phong,

Ed Dunne, who I've cc'd, may be interested in attending or at least to be in the loop for future meetings.

We don't have much to report since the last meeting on June 6<sup>th</sup>, but we can give a 5 minute update on DOEE's, MDE's, and EPA's upcoming plan to present a proposed approach to stakeholders and host a stakeholder meeting.

The trash TMDL update will be an item at the August 7 meeting. I am hoping that one of you can provide the update and lead this discussion. Am I missing any other DC staff for this meeting? Matt Robinson and Jonathan Champion both (DOEE) are available to attend.

Thanks  
Phong
